

KATRIEN De Blawer

	age	70
	location	Amsterdam, The Netherlands
	occupation	Retired
	income	50K per year
	status	Divorced with two sons

Katrien used to work for the Dutch government. She believes in co-housing lifestyle, because she doesn't want to face solitude in her elder days, so she's looking for alternatives to the traditional elder residence. She has 40% dissability. She's a social person, likes to spend time in the woods, and she's happy watering and taking care of their plants.

GOALS

Improve her Spanish

Road Trip to discover the renaissance buildings in Italy.

PERSONAL TRAITS

Learning

Passionate

Extrovert

Open-minded

FRUSTRATIONS

Finding like-minded people

Overcome solitude in her future elder days

Her daughter told her about **commūnitās** Dapp, she started an on-line campaign to find people to build a co-housing community in the outskirts of Amsterdam. They are establishing terms and conditions though DAO technologies, and monthly pooling 200€ to start building the construction in two years.
